Dear Garry,

I am the person living with AIDS who met you at the base of the Washington Monument last October during the display of the Quilt on the Elipse. You had just been to the top of the Monument to photograph the Quilt. We sat and talked for a long time and you agreed to send me some copies of your bird's-eye-view pictures.

I hope that your pictures turned out well and that you will be able to send me a few some time soon. Of course, I will reimburse you for your costs as soon as you let me know the amount. As founder and Coordinator of the Lesbian/Gay Archives of San Diego, I am assembling materials of all sorts on the NAMES Project for our Lesbian/Gay Pride Festival in June. So copies of your aerial photos will fit in very nicely.

Best wishes to you and your wife. I hope that you are well and that your work with the AIDS-impacted community is progressing. I look forward to hearing from you at your convenience.

Yours in the struggle,
